Located on the highly sought-after Stroud Road in the desirable suburb of Tuffley, Gloucester, this substantial detached family home offers approximately 2,031 sq. ft. of well-proportioned and versatile living accommodation, ideal for modern family life.

The property has recently undergone a comprehensive programme of refurbishment, including new doors and windows, full redecoration throughout, carpets and flooring, and newly fitted bathrooms, and a large utility room resulting in a stylish, turnkey home ready for immediate occupation.

Internally, the accommodation is both spacious and flexible, comprising three well-appointed reception rooms. These provide excellent versatility, whether for formal entertaining, family living, or home working.
